To: Director of Training

13 March 1952

From: Reading Laboratory

Subject: Weekly Report

1. The Reading Development course currently has a total of students enrolled per day, of which are in the overt laboratory and in the covert.

2. ophthalmograph records were taken in past week and reading tests administered and graded

3. Reading class from Agency and one class of UTG/A group completing course on Friday. A new UTG/A class will begin on 17 March, and a new agency class will begin 24 March.

4. Under consideration is a suggestion by that covert personnel be screened by the Reading Laboratory to determine which personnel would benefit most from the reading course.
